Award Winners August 2023

Best Researcher Award 8:00AM

6806: Schiff base coordination compounds including thiosemicarbazide derivative and 4-benzoyl-1,3-diphenyl-5-pyrazolone: Synthesis, structural spectral characterization and biological activity

Dr. Ahmed Aldaloo, King Saud University, Saudi Arabia

Best Researcher Award 9:00AM

6816 : Efficacy of Shenfu Injection on Acute Heart Failure

Prof. Banghan Ding, Guangdong Provincial Hospital of Traditional Chinese Medicine, China

Excellence in Innovation 10:00AM

6839: Cycloviobuxine D relieves myocardial hypertrophy via the mutual regulation between Nrf2 and SIRT3

Prof. XiangChun Shen, Guizhou Medical University, China

Best Researcher Award 11:00AM

7026: Enabling Ambient Intelligence of Things (AIoT) healthcare system architectures

Dr. Anil Pise, Siatik South Africa, South Africa

Award Winners August 2023

Best Researcher AWard 8:00AM

7307: The effect of dapagliflozin therapy on ventricular repolarization parameters in electrocardiography in patients with diabetic cardiovascular disease

Assist Prof Dr. SEFA ERDİ ÖMÜR, TOKAT
GAZİOSMANPAŞA UNIVERSITY, Turkey

Best Researcher Award 9:00AM

7334: The incidence of acute renal failure and high mortality rate in elderly patients hospitalized with community acquired pneumonia

Dr. Alona Matveychuk, Shoham Medical Center, The
Faculty of Medicine, Technion, Haifa, Israel

Best Researcher Award 10:00AM

7396: Progress report on interventional treatment for
bronchopleural fistula

Mr. pei Zhao, second hospital of Shanxi medical
university, China

Best Researcher Award 11:00AM

7397: Virtual Echocardiography Screening Tool
Identifies Pulmonary Arterial Hypertension Significantly
Earlier Than High-Risk Clinical Diagnosis

Dr. Anjali Vaidya, Temple University Hospital & Lewis
Katz School of Medicine, United States

About Venue

Berlin, Germany

Berlin, the capital city of Germany, is a dynamic and historically significant metropolis nestled in northeastern Europe. With a rich tapestry of history, culture, and innovation, Berlin stands as a testament to the resilience and evolution of a city that has experienced both the heights of Prussian grandeur and the depths of Cold War division. Landmarks like the iconic Brandenburg Gate and the majestic Berlin Cathedral punctuate the cityscape, while the remnants of the Berlin Wall serve as a poignant reminder of its turbulent past. From the world-class museums and galleries that celebrate artistic expression to the pulsating nightlife that echoes with electronic beats, Berlin embraces diversity and creativity in every facet of its existence. As the city that witnessed the fall of the Iron Curtain and the subsequent reunification of East and West, Berlin's streets tell a story of unity prevailing over separation. With a cuisine as eclectic as its population, a transport system that seamlessly blends history with modernity, and a spirit that encapsulates both solemn remembrance and exuberant celebration, Berlin continues to captivate the hearts of those who wander its vibrant streets.
